Plus complete ALL COB New Core as listed at link to right	<i>See 2009-2010 Business Program Requirements Checklist or http://www.bus.oregonstate.edu/services/newchecklist.htm (Note—new business core includes 72 credits, including: BA 260, WR 222, 323, or 327, BA 353, and BA 466)</i>			

NOTES

- 1 CS 151 or other object-oriented programming language class may substitute for BA 272.
- 2 Students who take ACTG 378 do not need to take BA 370 in the business core.
- 3 BA 364 is also offered online, typically Fall, Spring, and Summer. Check with E-campus for schedule.
- 4 Students should take BA 272 fall sophomore or junior year, and ACTG 378 fall junior year, and complete the program in two year. However, completion in one year is possible.

Students who apply for Pro-School in Winter 2010 or after will be required to satisfy the BIS Major requirements. MIS Option will no longer be available to these students.

OVER for description of MIS OPTION

****OPTION****
